No problem. The other thing I forgot is,

Mr. Lawler will stay in Virginia for 2 additional days at his own expense. He will use vacation time for these additional days (if they are work days).

Thank you for this consideration. I'll nail the date down with Jessica and Sharon ASAP.

Yes, the TAF needs to accurately reflect the dates of travel , so if you are staying extra days the whole time period needs to be accounted for on the form.

Language like,...Mr. Lawler will stay in Virginia for 2 additional days at his own expense.

Hi Julie Mike wants to know the following, he said that his daughter is in a nearby town about 2 hours from Sterling, he is going to take 2 or days off after the DEA seminar is over and visit his daughter, he said of course he will pay for his car rental and so forth, is it possible if he could come on a later flight ?

Thanks
